## KEY VOTE "YES" TO H.R. 1030--THE SECRET SCIENCE REFORM ACT OF 2015

March 18, 2015

Dear Representative:

On behalf of the American Apparel & Footwear Association (AAFA) -- the national trade association of the apparel and footwear industries, and their suppliers -- I am writing to express strong support for H.R. 1030, the Secret Science Reform Act of 2015.

### **AAFA has key voted H.R. 1030 as a YES vote**

The U.S. apparel and footwear industries believe sound science and transparency must be the fundamental tenets of federal regulations to reduce public and environmental exposure to chemicals of concern. As such, we believe this legislation will foster a better understanding of the Environmental Protection Agency's scientific foundation for policy recommendations and decisions. More importantly, we believe the legislation will lead to more effective regulations that will improve public safety.

### **I urge you to vote YES on H.R. 1030, the Secret Science Reform Act of 2015.**

Please accept my best regards,
